

DETERMINATION OF SIZE
ACCORDING TO CURRENT RING

PLACE THE RING OVER THE CIRCLES TO DEFINE THE SIZE. IF THE RING IS BETWEEN TWO SIZING CIRCLES, CHOOSE THE NEXT HALF SIZE UP. FOR EXAMPLE: IF IT IS BETWEEN THE 13 AND 14, YOUR SIZE WILL BE 13.5.

PLEASE BE CAREFULL BEFORE PRINTING OUR MEASURERS NOT TO DOWNSIZE THE FORMAT ALTHOUGH 100% ACCURATE SIZE CHECK CAN BE DONE IN THE JEWELRY SHOP NEAREST TO YOU. IF YOU ARE BUYING FOR YOURSELF, THE GOLDSMITH WILL DEFINE THE RING SIZE PROMPTLY. IF YOU ARE BUYING IT AS A GIFT, BRING A RECIPIENT'S RING, IF POSSIBLE, AS A SIZER FOR THE GOLDSMITH TO DETERMINE THE RIGHT SIZE.

NOTE:

AFTER PRINTING, MEASURE WITH A CENTIMETER/INCH RULER IF THE RIGHT SIZE IS PRINTED BY MEASURING THE SCALED 3CM DIMENSION.
